

2021 RUC International Summer School

Application Instructions

The RUC International Summer School (ISS) has drawn wide attention both at home and abroad since its launching in 2009. In recent years, RUC ISS welcomes around 500 international students, 3000 RUC students, and over 100 faculty members from home and abroad every July. Considering the ongoing situation of COVID-19, 2021 ISS will be held online from June 28th to July 23rd.

Students from RUC partner universities and Confucius Institutes are welcomed to join us online in 2021 RUC International Summer School!

Duration

2021 RUC ISS will last from **June 28th to July 23rd**. The end time of your ISS may vary according to the timetables of courses you select.

Time and Website for Registration and Course Selection

1. Time: **May 17th -June 1st**.
2. Website: <http://jw.ruc.edu.cn/Minjw/#/student-login>

Application Procedures

Step 1 Register

Register and fill your basic information in the above registration website.

After submitting your application information, please wait for the information review and the following steps can be continued after being approved.

Step 2 Check courses

2021 RUC ISS will have 27 courses for you to select (see Appendix 1). Before paying the registration and tuition fees, please make sure you have preferred courses to select and can be selected without time clash if you plan to select more than one course.

Step 3 Pay registration and tuition fees (if needed)

Amount: RUC ISS Office will decide whether you need to pay the fees according to the nomination of your university. If needed, the fees should be paid before selecting courses. The registration fee is 800 yuan and the tuition fee is 12000 yuan which can allow you to select 2 courses. And one more course needs to pay additional 2000 yuan.

Methods and commission rates: Chinese bank cards, oversea bank cards and Ali pay and Wechat pay are all supported to use. If you use oversea bank cards, the commission fee (2.8%) needs to be paid together with the registration and tuition.

Step 4 Select courses

Once the registration and tuition fees have been paid (if needed), the courses can be selected. RUC students usually select courses in early June after the end of the course selection by non-RUC students. If the course you have selected has less than 5 students, which is quite rare, the course will be canceled and you will have to change your course. If that happens, we will inform you through email instantly. And courses can only be dropped before the third class. As for students from Confucius Institute, one of the selected courses needs to be Chinese language training course.

Online Teaching Platform

Voov Meeting will be used during 2021 RUC ISS online teaching. Please install Voov Meeting in advance (see user manual for Voov Meeting in Appendix 2). The teaching assistant of your class will contact you through email about how to join the online class. If your internet connection is unstable and even fail to connect the online class, you can drop the course before the third class.

Drop Courses

Courses can only be dropped before the third class. If you want to drop courses, please contact us or teaching assistant.

Refund for Quitting

If you have to quit RUC ISS, the registration fee won't be refunded to you, but you can have refund for tuition. The proportions of refund are as follows:

95% of tuition for quitting before the first class;

90% of tuition for quitting before the second class;

50% of tuition for quitting before the half of the course;

0 refund for quitting after the half of the course

Score Check

Generally, the scores of your selected courses can be checked in the course selection system after one week of the end of the course. Before checking the score, please complete the teaching evaluation and questionnaire.

Teaching Evaluation and Questionnaire

For improving our summer school, your ideas about our program mean a lot. Please kindly complete the Teaching Evaluation and Questionnaire.
